

## Invitation To Attend a Press Conference

13<sup>th</sup> Regional Water Desalination Conference (ARWADEX)

**in Partnership with the**  
3<sup>rd</sup> International Water Waste Infrastructure (IWWI)

We are delighted to invite you to a press conference where we will share important updates about the organization and programming of both events.

This session will provide an exclusive look at the groundbreaking Saudi-Egyptian-German partnership aimed at advancing the water desalination, wastewater, water technologies & reuse sector.

This significant announcement in the presence of a distinguished high-level delegation from Germany will conclude with a delightful dinner, offering an opportunity for further discussion and networking.
